

Response Microwave, Inc

Terms of Use

Effective date: 7/21/2026

Welcome to Response Microwave Inc. ("we," "us," or "our"). By accessing or using our website located at <https://www.responsemicrowave.com/> (the "Site"), you agree to comply with and be bound by these Terms of Use.

1. Requests for Quotation (RFQs) & Non-Binding Quotes

Submitting a Request for Quote (RFQ) through our Site does not constitute a binding legal agreement, purchase order acceptance, or guarantee of product pricing or lead time availability. Formal pricing, product specifications, delivery schedules, and terms of sale are established only through direct communication and official written quotations issued by our authorized sales and engineering representatives.

2. Technical Specifications & Catalog Accuracy

We make every effort to ensure that all technical parameters, data sheets, product specifications, and filterable catalog information on our Site are accurate and current. However, product designs and specifications are subject to modification or update without prior notice. We do not warrant that all content on the Site is entirely error-free or complete at all times.

3. Intellectual Property

All content on this Site—including technical drawings, specifications, catalog charts, images, text, logos, and branding—is the proprietary property of Response Microwave Inc. and is protected by applicable copyright, trademark, and intellectual property laws. You may not scrape, reproduce, redistribute, or use any site material for commercial purposes without our explicit written consent.

4. Limitation of Liability

To the fullest extent permitted by applicable law, Response Microwave Inc. shall not be liable for any direct, indirect, incidental, or consequential damages resulting from your use of, or inability to use, this Site or reliance on any technical data or materials provided herein.

5. Governing Law

These Terms of Use are governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without regard to its conflict of law principles.
